

# **Syracuse Police Legacy Brick Garden**

At Forman Park

## *Dedication, Sacrifice, and Tradition*

Under the leadership of former Syracuse Police Chief Dennis DuVal and former Syracuse Mayor Matt Driscoll in 2001, the concept of having a park located in the City of Syracuse that was to be designed specifically as a tribute to memorialize the Syracuse Police Officers who lost their lives in the line of duty, came to fruition.

Since that time and in the same area as the fallen officers monument, a paver garden area was established. This area is reserved for the placement of engraved paver bricks to honor the legacy of those officers who have served as sworn members of the Syracuse Police Department.

Over the last few years the paver garden has begun to show its age and is in need of some minor repairs and maintenance, As such and with the very generous financial support of nearly \$3000.00 from the Syracuse Police PBA and the CNY Police Retirees Association these repairs and maintenance will soon be underway.

This provides us with the perfect opportunity to expand the garden area with more engraved paver bricks of SPD Officers.

By purchasing a paver brick, you too can add your name and legacy to the already dozens of Syracuse Police Officers, past and present, who have paver bricks proudly displayed in this area, and forever memorialize your dedicated service as a proud member of The City of Syracuse Police Department within the hallowed grounds of the Syracuse Police Memorial Park.

The cost for the paver bricks is \$200.00, and includes the brick, engraving, placement, as well as upkeep and maintenance of the garden.

The Syracuse Police Legacy Brick Garden team will be working diligently over the next several months to fill orders for new paver bricks, working with landscapers to get the garden in shape, and having the newly added bricks laid and ready for an official rededication of the paver garden area by the end of the year.

Don't' delay, place your order today to be included in this year's brick placement.

Order forms are available at the Syracuse Police PSB Patrol Office, SPD PSB Personnel Office, Patrol East, PSB CID, the Syracuse Fire Department Federal Credit Union and online at [syrfirecu.com/Syracuse-police-legacy-brick-garden](http://syrfirecu.com/Syracuse-police-legacy-brick-garden) and [syracusepba.com](http://syracusepba.com).
